EXPERIENCE

Jacksonville High School

Jul 2022 to Present

Social Studies Teacher, Baseball & Football Coach | Jul 2022 - Present

Dynamic and versatile educator with a passion for teaching social studies and coaching baseball and football teams at the high school level. Bringing a wealth of experience in academic instruction and athletic leadership, I am dedicated to fostering a well-rounded educational experience for students both in and out of the classroom. Skilled in developing engaging lesson plans, promoting critical thinking skills, and instilling a love for learning. As a coach, I prioritize teamwork, sportsmanship, and character development, guiding student-athletes to achieve success on and off the field. Seeking to leverage my expertise and enthusiasm to make a positive impact on the academic and athletic growth of students.

- Led extracurricular activities resulting in multiple student awards and achievements.

Rusk State Hospital

Jun 2021 to Jun 2022

Case Manager- Discharge Coordinator | Jun 2021 - Jun 2022

Highly organized and compassionate professional with extensive experience in case management and discharge coordination within a state hospital setting. Skilled in providing comprehensive support to patients and their families throughout their healthcare journey, from admission to discharge and beyond. Proficient in conducting assessments, developing individualized care plans, and coordinating services to ensure seamless transitions and optimal patient outcomes. Adept at collaborating with interdisciplinary teams, community resources, and external agencies to address patients' diverse needs and facilitate successful discharge planning. Committed to upholding the highest standards of patient care, advocacy, and continuity of services within the healthcare system.

- Implemented classes that lead to a decreased rate of recidivism on my unit.
